SERVICES OFFERED

AFTERCARE

- School children are fetched at Eikestad and/or Rhenish. A light lunch is served, as well as some snacks later in the afternoon.
- The children are taken to their various extra-mural activities. Please note, this only includes activities that take place at either Eikestad or Rhenish.
- Children can stay at Kabouterland until 17:30. Parents must inform the office and/or head of the aftercare should your child not be picked up by us on any specific day.
- If anyone other than the child's parent collects him/her in the afternoon, it is the parent's responsibility to let the office and/or head of the aftercare know.
- Trained staff will make sure that the children do their homework. Any problems regarding homework will be brought under your attention. Each child must please bring an A4 hard cover book in which they can do their homework.
- **One of the biggest challenges we face is when we must look for children at school. The children will always be fetched at the front gate of the school. Please encourage them to come to the bus as soon as the school bell rings after school or when they have finished with their extra-mural activities.**
- We ask our parents to please complete an extra-mural activity form which indicates the different activities' days and times. If anything on the form changes, please be so kind as to inform us in time.
- There is a fine of R20 if we need to phone you when no arrangements have been made or if we must go looking for your child.
- The aftercare uses the Child Cloud app to convey messages to the parents. We ask that you please download the app. We will then send you an invite. If you need to get a message across urgently, please phone the office on 021 - 880 1043, 074 179 5010 or 076 815 4932.

TERMS AND CONDITIONS

HEALTH POLICY

- Children with contagious diseases are not allowed to come to school. If a child has a fever, we will let the parents know and ask for them to be collected. Please inform us if your child has a contagious illness.
- Parents of children who needs to be given medicine, should please complete the form in the class's medicine register. All medicine must be clearly marked and be given directly to the class teacher. No medicine is allowed to be kept in the children's suitcases.
- We can, however, care for sick children if it doesn't affect the child, other children, or staff negatively. If a child gets hurt or is so ill that he/she needs medical care and the parent(s) can for whatever reason not take them, we will do so. The parent, however, stays responsible for any medical costs.
- We would really appreciate it if you can let us know about any emotional or physical trauma that your child might have gone through. This helps us to understand a child's emotions a little bit better and also how to handle each situation.

PICK UP AND DROP OFF ARRANGEMENTS

- We request that parents please drop children off promptly to avoid traffic problems in the parking area.

RECYCLABLE / REUSABLE MATERIAL

- We appreciate any types of material like paper, wood, bottle lids, boxes of any size, toilet rolls, paper towel rolls, fabric, etc. that you don't want. We use it to make our artwork special.

GENERAL

- We encourage you to come and discuss any problems that might arise with us. We really try our best to give all the children enough love and support with schoolwork and stimulation. We always strive to deliver excellent service; therefore, we really appreciate constructive criticism.
- Aftercare is a great need for parents and children, and we aim to provide it as best we can. If you have any suggestions on how we can make it even better, please feel free to share it with us. We strive to provide the children a home away from home where they can learn, play, and relax. Such a big task will not be possible without the input and support from our parents.
